Evening Telephone: _____ Email: _____

Graduation Date – High School (mm/yy): _____ Grade Point Avg. (GPA) – High School: _____

Graduation Date – College (mm/yy): _____ Grade Point Avg. (GPA) – College: _____

APPLICATION INFORMATION

The Aircraft Electronics Association Educational Foundation awards scholarships annually to students pursuing a career in avionics and/or aircraft maintenance through technical training and education at a learning institution. The intent of these scholarships is to identify and reward those individuals who best exemplify the qualities that lead to success in the avionics and aircraft maintenance industry.

Please review the scholarship descriptions online at www.aea.net/scholarship, and check the box(es) below for each applicable scholarship. Individuals may apply for more than one scholarship; however, applicants are only eligible to receive one award per academic year. Please read the scholarship criteria carefully to ensure eligibility.

Check the box of each applicable scholarship. Visit www.aea.net/scholarship for award descriptions and criteria.

APPLICATION PROCEDURES

A COMPLETE APPLICATION INCLUDES:

- ✓ A completed and signed application form
- ✓ A recent high school or college transcript (official or valid copies will be accepted)
- ✓ Answers to both application "QUESTIONS" (below)
- ✓ One 300-word type-written "ESSAY" (below)
- ✓ Do not include letters of recommendation

APPLICATION DEADLINE:

- ✓ Your application must be sent, complete with your transcript, questions and essay to the AEA Educational Foundation by April 1, 2017.
- ✓ Applications received without completed information will not be considered.
- ✓ Transcripts sent separate from applications will not be accepted.
- ✓ Winners will be announced in May 2017. Scholarship monies will be disbursed July 2017.

QUESTIONS & ESSAY

Please complete **ALL** of the following:

1. Write about your career plans. (a) Include the school(s) you are considering, (b) your desired field of study (avionics, aircraft maintenance, etc.) and (c) where you plan to gain employment after graduation.
2. Describe what scholastic and community activities you are involved in and how these will help you pursue your aviation career goals.

Please write a **300-word** essay on the following topic:

3. What are FAA's "NextGen" technologies and how will they change aircraft maintenance and the skills and knowledge required of tomorrow's technicians?

SCHOLARSHIP TERMS AND CONDITIONS

In the event the student (award recipient), for any reason, abandons the scholarship, the balance of the award shall be returned to the Aircraft Electronics Association Educational Foundation. If the scholarship is not used in the 2017-18 school year, the student will surrender the award.

Please Note:

- Scholarship monies must be used to cover the cost of tuition, books and/or tools only.
- Scholarship monies cannot be used for any type of flight training or air traffic control programs.
- Scholarships will be made payable to the recipient and his/her school, and must be endorsed by both parties.
- Scholarship monies will not be disbursed until the student has enrolled per the scholarship sponsor's criteria (verified by the school's business office).
- All scholarships are merit based with restrictions.
- Scholarship applicants must have at least a cumulative 2.5 grade point average on a 4.0 scale.
- All scholarship monies must be used for the 2017-18 school year.

I hereby make application for an AEA Educational Foundation Scholarship within the terms and conditions of this application. I certify the information given is complete, accurate and my own work.
