The AEA Trade Show gives you the opportunity to:

- Contact new prospects and generate leads.
- Upsell existing customers.
- Promote your company’s image and maximize its market exposure.
- Discuss the needs of your customers face-to-face.
- Launch new products or services at the dealer level.

Maximize Your Investment

> **ADVERTISING**
Get your message out to your dealers by advertising in the following publications and letting them know you will be exhibiting at the AEA Trade Show.

- *Avionics News* magazine - Whether you advertise year-round or in special issues, your message not only reaches your dealers, but pilots, too!
- *Convention Schedule of Events* - This comprehensive show schedule and exhibitor listing is distributed to and referenced repeatedly by AEA convention attendees.
- AEA website and *AEA Wired* e-newsletter - Reach the masses of individuals who depend on this type of media for their information!

> **PRESS COVERAGE**
Each year, the general aviation industry press is on-site to get the latest information regarding avionics and related products. Take advantage of meeting with members of the aviation media during the show.

> **NEW PRODUCT INTRODUCTION SESSION - EXHIBITORS ONLY**
The “must-attend” event of the year. The AEA New Product Introductions will take place the day before the trade show opens. Exhibitors with new products to the industry as of Jan. 1 will be allowed to submit a request to be part of this most talked about session. Space is definitely limited. Information on securing your spot will be sent to exhibiting companies by mid-December.

> **SPONSORSHIPS**
Sponsoring items for the annual AEA International Convention & Trade Show is always a good way to say “thank you” to your dealers and customers. If you have a sponsorship idea, please let us know. As always, the items available for sponsorship are on a first-come, first-served basis.
